Dark Pictures Cause Beyond flash range Solution Stand between 4 - 10 ft (1.2 - 3m) for flash pictures.

Spots on Pictures Cause Dirty rollers Solution Open camera. Open film door and clean rollers with damp cloth.

Indoor range = 4 – 10 ft (1.2 – 3m) Outdoor range = 4 ft – ∞ (1.2m – ∞)

One-year limited warranty
If this camera proves defective within one year of the original purchase date, Polaroid will, at our option, repair or replace any camera found defective in manufacture within the warranty period. The warranty period is determined by the date of camera purchase. Keep the receipt as proof of purchase. Otherwise, the warranty period is determined by the date of manufacture. To take advantage of the warranty, the camera must be returned to, and repaired by, one of the Polaroid Service Centers. This warranty does not apply to damage caused by accident, misuse or tampering, and excludes all consequential damages except in jurisdictions not allowing such exclusions or limitations.

Film Precautions
This camera is powered by batteries contained within the film pack. Supervise children when camera is operated by them or used in their presence. To avoid electrical shock, do not expose to or immerse in water or other fluids, disassemble, or operate if dropped or damaged. Contact Polaroid Customer Support for repair information.
