15 English - C3BM1LA1AAA
Telephone warranty

Congratulations on choosing this cell phone—we hope you will be completely satisfied with it.

This warranty is applicable to all specific conditions for a period of twelve (12) months from the date of purchase (the "specified period").

The warranty terms defined in the manual also apply to the battery and accessories sold with the cell phone for a period of 6 months (2) from the date of purchase shown on your original invoice.

Warranty coverage: This warranty covers the cost of parts and labor but does not cover items that are sold as is, as is, for parts only, or with no warranty.

In warranty servicing: This warranty applies only to cell phones, battery chargers, and accessories which are recommended by TCT Mobile Limited and its affiliates as being compatible with your cell phone model.

As with any type of equipment in regular use, your cell phone should be serviced regularly.

In the event of a breach of this warranty, you may be entitled to repair your cell phone or have the cost of such repair reimbursed.

Warranty exclusions: This warranty does not cover the following:

1) not following the instructions for use or installation,
2) not being compliant with technical and safety standards applicable to the product in question,
3) in case of improper, careless, or excessive maintenance of use of the equipment,
4) in case of accidents or consequences of fault of the vehicle in which the equipment is installed, in case of use as an instrument of aid, fire fighting, etc.,
5) the repair or integration into the equipment of any new part not covered by the warranty, without the written express consent for each new part,
6) damage caused or deterioration of the equipment due to the customer's own fault or negligence, or due to any other cause not covered by the warranty,
7) damage caused by the customer's own fault or negligence, or due to any other cause not covered by the warranty,
8) damage caused by the customer's own fault or negligence, or due to any other cause not covered by the warranty,
9) damage caused by the customer's own fault or negligence, or due to any other cause not covered by the warranty.

The warranty terms defined in the manual also apply to the battery and accessories sold with the cell phone for a period of 6 months (2) from the date of purchase shown on your original invoice.
