This warranty covers the cost of repair or a replacementuary for the components identified in the warranty. The warranty does not cover the cost of part replacement or labor to repair the product for the following reasons:
1. Non-compliance with the instructions for use or installation of the product,
2. Damages caused by transportation or handling,
3. Damages caused by natural disasters, theft, or vandalism.
4. Damages caused by use of the product in a manner not intended by the manufacturer.
5. Damages caused by use of parts or accessories not approved by the manufacturer.
6. Damages caused by unauthorized modification or repair of the product.
7. Damages caused by neglect, misuse, or improper maintenance.
8. Damages caused by operation outside the temperature, humidity, or voltage ranges specified in the product specifications.
9. Damages caused by use of accessories or replacement parts not approved by the manufacturer.
10. Damages caused by use of the product in a manner not compliant with the laws and regulations of the country or region where the product is used.

Troubleshooting
Before contacting the alternative dealer you are advised to follow the instructions below:
1. Make sure that you have read the user manual carefully.
2. Check the battery level and turn off the product if the battery is low.
3. Check the memory status and free up space if necessary.
4. Try restarting the product by pressing the reset button.
5. Check if the product is connected to a network.

For other devices, they bear the following statement:
(1) Contact your network operator for service availability.
(2) The text above represents a translation of the original document, which may not be 100% accurate. Please refer to the original document for the most accurate information.
