Safety and use.................................................................10

The manufacturer of this device understands the potential hazards associated with the use of mobile devices and recommends the following practices:

1. In vehicle use, never hold the device while driving.
2. Batteries must be charged in accordance with the instructions in this manual.
3. Prior to using the device, verify the warranty conditions, repair, and return your wireless phone.
4. Use only with approved accessories.
5. Do not expose the device to extreme temperatures.
6. Do not use or brand your phone while taking medication.
7. Do not use or place your phone near electrical or magnetic fields.
8. Do not use or place your phone in areas where there is a risk of explosion.
9. Do not use or place your phone near medical equipment.
10. Do not use or place your phone near other radio frequency devices.
11. Do not use or place your phone near water.

Alcatel Mobile Phones Limited Warranty

TCI Mobile North America LTD warrants to the original retail purchaser of its cellular telephone (“Purchaser”) that the device shall be free from defects in material and workmanship, under normal use and conditions, for a period of one (1) year from the date of purchase of the device as shown on your sales receipt. Such warranty is subject to the terms and conditions set forth below.

1. The limited warranty provided by TCI Mobile is a limited warranty and does not limit, affect, or replace any warranty that may be provided by your cellular telephone manufacturer.
2. The limited warranty provided by TCI Mobile is a limited warranty and does not limit, affect, or replace any warranty that may be provided by your cellular telephone manufacturer.

Troubleshooting

Before contacting the service center, you are advised to follow the below troubleshooting steps:

1. Make sure the device is fully charged (E) or the battery is operational.
2. Avoid storing large amounts of data in your device.
3. Use User Data Format to perform a full battery charge.
4. Make sure the battery charge level is at least 20%.
5. Check the battery charge level.

16. Your cellphone should not be disposed of in a municipal waste. Please check the local regulations for disposal or recycling.

17. The safety and use of mobile devices is a shared responsibility. The manufacturer of this device understands the potential hazards associated with the use of mobile devices and recommends the following practices:

18. It is important to use your cellphone in a safe and responsible manner. The manufacturer of this device understands the potential hazards associated with the use of mobile devices and recommends the following practices:

19. The manufacturer of this device understands the potential hazards associated with the use of mobile devices and recommends the following practices:
