Email

About hubs

Get more out of your phone when you stay connected.

Simplify your everyday tasks with hubs. Instead of going in and out of various apps, hubs simplify things by tying together related experiences. For example, in the People Hub, not only can you see all your contacts but you can also check status updates from your Facebook friends.

Check out the other cool hubs on your phone such as Office, Pictures, Music + Videos, and more.

These are some of the cool apps that the HTC Hub offers. Some may already be on your phone. If not, don’t worry; you can get the HTC Hubs to download the other HTC apps.

About your HTC Trophy

Don’t you just hate pocket dialing? Before putting your phone in your pocket or bag, lock the screen first so you avoid those accidental screen presses.

To lock the screen, just press the POWER button.

Unlocking the screen

You can unlock the screen by pressing the POWER button to turn on the display, and then sliding the screen up starting from the bottom of the screen.

Read and send email messages right from your phone.

Adding your email account

We’re assuming that you have set up Windows Live when you first set up your phone. If not, follow this procedure to set up Windows Live and your other email accounts.

1. On the Start screen, tap Settings > email & accounts > add an account

2. Select the account you want to set up.

3. Enter the email address and password, and then tap sign in.

Sending an email message

1. On the Start screen, tap the email account you want to use to send the email.

2. On the email account inbox, tap .

3. Enter the recipients.

4. To add Cc or Bcc recipients, tap > show Cc/Bcc.

5. Enter the subject. Then tap the space below the subject line to compose your message.

6. Tap to add an attachment. You can only attach a photo.

7. Tap to send the message.

About HTC

For the complete user guide and other helpful resources, go to www.htc.com/support. Please also read the Safety and regulatory guide that’s included in the box.

For additional information about your phone, go to windowsphone.com.

Note: Certain Microsoft services/features may not be available in your country or region.
