Getting to know your HTC Desire® 555

Phone setup
Insert the SIM and microSD® card
1. With your phone off and facing down, open the slot cover with your thumb or finger.
2. To remove the tray, hold your fingernail in the small groove in the tray and then slide the tray out.
3. Place your SIM card into the upper SIM slot of the tray with the gold contacts facing up and the cut-off corner facing out.
4. When removing the SIM tray, make sure it is facing up so that the SIM card slot isn’t out. Slide the tray all the way into the slot.
5. To add an optional microSD® card, insert your card into the bottom slot with the gold contacts facing up and towards the slot. Slide the card all the way in until it clicks into place. Close the slot cover by sliding the plastic hinge into the side and press the cover until it clicks into place.
