Capture great moments

In the Camera app, tap "+" to choose from the available photo filters. Share your photos as you take them or later with your friends and family.

Download more apps

Find new apps in Google Play℠. Open the Play Store app and search for apps by type, category, or name. You can find apps that you might enjoy with "Editors’ Choice," "Hot Apps," "New & Notable," or "Recommended." To download apps, tap "Install." To uninstall apps, tap "Uninstall." You may need to agree to the app's terms of use to complete the installation.

MetroPCS quick start information

Service
MetroPCS has a nationwide 4G LTE (LTE) network. In the Home screen, tap the "People" tab to access your contacts. From the Home screen, tap "Photos" to access your photos. In the Camera app, tap "Capture great moments." You can also access your Photos from the Gallery app. In the Photos app, tap "Open" to view your photos. To edit your photos, tap the "Edit" option. You can also access your Photos from the Gallery app. In the Photos app, tap "Open" to view your photos. To edit your photos, tap the "Edit" option.
