**Photo Booth**
Capture and merge selfies into a single picture.
After the first shot, the camera takes three more selfies with two-second intervals. You can strike a different pose each time.

**Hands-free image capture**
Flash a smile, and the camera instantly captures your smiling face. Or, just say “Say Cheese”!

- **Choose a layout.**
- **Set the timer for the first shot.**
- **Switch to Photo booth mode.**
- **Start capturing.**

- **Go to Settings > Camera options and select Auto Selfie and Voice Selfie.**
- **See all controls.**
- **Switch from Camera mode to Selfie mode.**
- **Or, swipe from the phone’s edge.**

**Find More Information**

HTC BlinkFeed®
Easily access content from popular websites and your social networks.
1. From the Home screen, swipe right to access HTC BlinkFeed.
2. In HTC BlinkFeed, swipe right to open the slideout menu.
3. Tap > Add content.
4. Tap a category to see available content.
5. Select the content you want to add to the feed.

Turn off HTC BlinkFeed
1. From the Home screen, swipe right to a panel with a blank area.
2. Press and hold the blank area to access customization options.
3. Tap Manage home screen pages.
4. Swipe to the HTC BlinkFeed panel, and then tap Remove.

Tip: Checking Connections
Having trouble connecting to the Internet? Try these steps:
1. Tap > Settings.
2. If Airplane mode is on, tap the Airplane mode On/Off switch to resume data transmission.
3. Wi-Fi can provide additional data coverage. Tap the Wi-Fi On/Off switch to turn it on.
5. Did you set a data limit and exceed it? Tap More > Data Manager. Clear the Limit mobile data usage option.
6. Open the browser and go to a website to test if your data connection is working.

AT&T Services
• AT&T Ready2Go
  Set up your email, social networking, Wi-Fi and more.
• AT&T DriveMode®
  Stay safe while driving. Stops incoming calls and text.
• AT&T Locker™
  Cloud storage to store, sync, & share your photos, videos, and documents.
• Keeper®
  A secure and easy-to-use app to manage and access your passwords and user names from your mobile devices and computers.
• AT&T Navigator®
  Get traffic updates, GPS navigation and turn-by-turn voice directions.
• Mobile TV
  Watch LIVE, on-demand and downloadable mobile TV including ESPN Mobile TV, Fox News and more.
• YPmobile®
  Use text or voice search to find businesses and events near your location.

Tip: Optimize Battery Life
Switch to Power Saver or Extreme Power Saver Mode
1. Tap > Settings > Battery Manager. Tap the Power saver or Extreme power saving mode switch to turn it on.
2. These may reduce the usage of phone features but can extend battery life.
Note: See the User Guide for details.

Activate Automatic brightness
1. Tap > Settings > Display & gestures > Brightness.
2. With the Automatic brightness option selected, drag the slider to set the maximum brightness level.

Check which apps are using your battery the most
1. Tap > Settings > Battery Manager > Battery usage.
2. You can disable or uninstall apps that you don’t use.

Data usage and subscription charges may apply.
