About hubs

Simplify your everyday tasks with hubs. Instead of going in and out of various apps, hubs simplify things by tying together related experiences. For example, in the People Hub, not only can you see all your contacts but you can also check status updates from your Facebook friends.

Check out the other cool hubs on your phone such as Office, Pictures, Music + Videos, and more.

HTC Hub

Get more out of your phone when you select from us. Check out the HTC Hub and see what we have in store for you. The built-in weather app shows the weather in 360° animation. It even provides a forecast for coming days. Dining and fun games are available right on your phone such as Office, Pictures, Music + Videos, and more.

There are some of the cool apps that the HTC Hub offers. Some may already be on your phone. If not, don’t worry, you can see the HTC Hub to download the other HTC apps.

Note: Certain Microsoft services/features may not be available in your country or region.
