Opening the Notification Panel

To open the Notification Panel, swipe down from the status bar to access the available options menu.

Closing the Notification Panel

To close the Notification Panel, swipe up from the bottom of the screen to access the current screen's options menu.
Messaging and Email
Getting Connected

To add attachments, such as pictures and audio files, touch Menu > Attachments. After you add multimedia files, the message changes from drafts to ready.

Operating Environment

The device complies with the RF specifications when tested under normal operating conditions. These guidelines were developed by the independent scientific organization International Commission on Non-Ionizing Radiation Protection (ICNIRP) and include safety measures designed not to exceed the limits for exposure to radio waves.

For more information about how to use your phone, please read the user guide. You can download the user guide by visiting the website: http://www.huaweidevice.com/worldwide.
