- Tap here to add pictures, videos and attachments such as PDF files.

Declaration of Conformity

We, INFINIXMOBILITY LIMITED declare under our sole responsibility that the equipment specified below conform to the essential requirements of Directive 1999/5/EC.

- BT/Wi-Fi GPS Mobile Phone: X507 to which this declaration relates, is in conformity to all the essential requirements of Directive 1999/5/EC.
- Any changes and modifications to this device that are not approved by the above named manufacturer will void the user’s authority to operate this device.

European Union conformity is indicated by the CE marking.

The conformity assessment procedure referred to in Article 10 and the relevant provisions of the apparatus and radio equipment directive 2014/53/EU are satisfied by applying the following harmonised standards

- EN 300 328 V1.7.1
- EN 301 489-17 V2.2.1
- EN 301 489-24 V1.5.1
- EN 300 440-1 V1.6.1
- EN 300 440-2 V1.4.1
- EN 301 511 V9.0.2
- EN 62209-2:2010
- EN 62479:2010
- EN 62311:2008
- EN 62209-1:2006

The radio wave exposure guidelines use a unit of measurement known as the Specific Absorption Rate, or SAR. The SAR limit for mobile devices is 2.0 W/kg. Tests for SAR are conducted using standard operating as the Specific Absorption Rate, or SAR. The SAR limit for mobile devices is 2.0 W/kg. Tests for SAR are conducted using standard operating conditions for user equipment in all tested frequency bands. The highest SAR values under the ICNIRP positions with the device transmitting at its highest certified power level is 0.262 W/kg and 0.410 W/kg. The technical documentation and the above mentioned products are available upon request.

The above named product is in conformity to all the essential requirements of Directive 1999/5/EC.

In case of emergency, the device can be used to make calls. The device is not a substitute for 911.

* It is not the address of Infinix Service Centre. For the address or the contact details of the nearest Infinix Service Centre, see the warranty card or visit www.infinixmobility.com and search for your device with the identification mark.
