Getting started

Thank you for choosing Infinix smartphone. We hope this product will bring you a brand new experience.

1. Switch off the mobile phone and remove the rear cover.
2. Insert the SIM card in the card slot properly.
3. Finally, replace the rear cover of the mobile phone.

Features

Inserting SIM card

1. Switch off the mobile phone and remove the rear cover.
2. Insert the SIM card in the card slot properly.
3. Finally, replace the rear cover of the mobile phone.

Inserting memory card

Note: Use only compatible memory cards with the device. Incompatible memory cards may damage the card or the device and corrupt the data stored in the card.

Note: Only use compatible charger; immovable inbuilt battery. The phone can be restarted by holding the power button for 10 seconds.

Making a call

1. From the home screen, tap and dial a complete phone number to make a call.

2. In the call log, you can make a call, add new contact or send a message.
