2. Receiver
3. Volume buttons
4. On/Off button
5. Microphone
6. Headset connector
7. Micro USB connector
8. Rear-facing camera
9. Flashlight
10. Speaker

Height: 123.5 mm (4.862 inches) Width: 63.8 mm (2.512 inches) Depth: 10.2 mm (0.406 inch) Weight: 129 g (0.284 lb)
You must insert the SIM card provided by your carrier to use cellular services. Set up your smartphone as shown.

Step 1. Open the back cover.

Step 2. Insert the SIM cards and the memory card.
Tip: Insert the (U)SIM card into SIM1 slot and SIM card into SIM2 slot.

Step 3. Install the battery.
   a. Align the battery connectors on the battery with the pins in the battery compartment.
   b. Push the battery down into place.

Step 4. Install the back cover.

Always turn off your smartphone first before you insert or remove a SIM card. Insert or remove a SIM card with your smartphone on may damage your SIM card or smartphone permanently.
Charging the battery

Charge the battery as shown.

Method 1. Connect your smartphone to a power outlet using the cable and USB power adapter that come with your smartphone.

Method 2. Connect your smartphone to a computer using the cable that comes with your smartphone.

Low battery power  Fully charged  Charging

Turning on or turning off your smartphone

**Turn on:** Press and hold the On/Off button until the Lenovo logo appears.

**Turn off:** Press and hold the On/Off button for a few seconds, then tap **Power off**.

Your smartphone has a rechargeable battery. For more information about battery safety, see the “Rechargeable battery notice” in the *Important Product Information Guide* shipped with your smartphone.
Learning more

To learn more information about your Lenovo smartphone and obtain the latest smartphone manuals, go to: http://support.lenovo.com/.

Getting support

For support on network service and billing, contact your wireless network operator. For instructions on how to use your device, go to: http://support.lenovo.com/.
