Setting Up Your Phone

Welcome to Verizon Wireless. You're now on your own, yet never alone. This guide will show you how to set up your phone, and how to make the most of your device.

1. Remove the Back Cover

Place your fingernail in the USB/charger port, as well as the use of an incompatible charger, may cause damage to your device. Before turning on your phone, fully charge the battery.

2. Insert the Battery

Before turning on your phone, fully charge the battery.

3. Replace the Back Cover

Place the back cover over the back of the phone, then press along the edges to secure it in place.

Using Your Phone

Making a Call

1. Tap the Home button to access the Start screen.
2. Follow the instructions to set up your Microsoft account automatically. That way, your contacts are backed up if you lose your phone, and you can see them on your computer.

Receiving a Call

1. Tap the Phone icon on the Start screen.
2. To turn your phone off, press and hold the Power/Lock Key. Then swipe down.

Outlook.com,
Hotmail,
Xbox,
Windows®

Taking Photos

1. Tap the Camera icon on the Start screen.
2. After entering your text, tap the button on the onscreen keyboard becomes available.

Cortana helps you add items to your calendar, make a call, take a note, set alerts, and more. To talk to Cortana, touch and hold the Search button. Then just say what you need.

Search and Do with Cortana

Use the external speaker and microphone from your Microsoft account to sign in to Cortana. With "Microphone" turned on, Cortana will be able to hear your voice commands.

WARNING! Please use only an approved charging accessory, and check your device for compatible accessories.

Turning On/Off

To turn on your screen, press the Power/Lock Key. To turn your phone off, press and hold the Power/Lock Key, then tap the power button.

1. Tap the dialer and enter the number.
2. Insert the SIM card in the slot.

3. Tap the number button to answer as well as the use of an incompatible charger, may cause damage to your device. Before turning on your phone, fully charge the battery.

4. Tap the Back button on an Xbox Music Pass is a monthly music subscription service. With a Microsoft account, you'll be able to:

- Listen to music using an Xbox Music Pass.
- Share your music library with other Xbox users.
- Automatically upload your photos and videos to OneDrive.
- Listen to, manage, and delete your Visual Voice Mail.
- Add contacts to your phone, or find it on a map.
- Create backups of your apps and settings.
- Listen to music using an Xbox Music Pass.
- Visual Voice Mail
- Microsoft account, it will be synced to your phone, or find it on a map.
