At a glance

Let’s get started. We’ll guide you through startup and tell you about your phone.

**Note:** Software updates happen frequently, so your phone may look a little different.

### Remove the back cover

If you need to insert SIM and memory cards, remove the back cover.

**Caution:** Don’t use tools to remove the cover – doing so may damage your phone.

### Remove the battery & put in cards

**Caution:** Make sure you use the correct size SIM card and don’t cut the SIM card. Don’t use tools to remove the battery – doing so may damage your battery or your phone.

### Put on the cover & power on

Put on the back cover. Charge your phone fully and turn the power on. Select your language and follow the screen prompts to get started.

**Note:** Fully charge your phone before using it.

**Motorola.com**

This product meets the applicable national or international RF exposure guidance (SAR guideline) when used normally against your ear, or when worn or carried, at a distance of 0.5 cm from the body. The SAR guideline includes a considerable safety margin designed to ensure the safety of all persons, regardless of age or health.

To view the SAR values for your phone, visit https://motorola.com/sar. To view additional SAR information on your phone, tap Apps > Settings > Legal information > RF information.

To view the information on the web, visit www.motorola.com/rfhealth.

Where is my legal, safety, and regulatory information?

In order to provide you with better access to this important information, we’ve made the materials accessible from the phone’s settings menu and on the web. Review these materials prior to using your device.

Battery safety

Before importing, charging or using your mobile device for the first time, please read the material provided below. Battery life may vary depending on your environment and usage.

WARRANTY:
Your battery is covered by the terms of the warranty attached to your device. Only use Motorola-branded original battery packs and Motorola-approved third-party battery packs. Batteries can explode if disposed of in a fire.

Caution about high volume usage

Warning: to prevent possible hearing damage, do not listen at high volume for long periods of time.

Disposal and recycling

Use your mobile device only with an approved Motorola mobile device charger. Use of another charger may void your warranty. Consult the user guide for your size of batteries. Do not attempt to disassemble or repair any battery. Dispose of used batteries properly. Batteries can cause fires, burns, and explosions if mishandled. Follow all local recycling guidelines and instructions on battery packages. Do not dispose of your battery in your household waste. For more information, visit www.motorola.com/mobile-device-recycling.

Warning:

Use of your mobile device in areas with high air pressure (over 2500 m) may cause the materials inside your device to expand and cause serious injury.

Arbitration & opt-out

Any controversy or claim arising out of or relating to any Motorola product will be resolved by binding arbitration, instead of in court, unless you opt out. To not be bound by an arbitration provision, send a written rejection notice within 30 days of purchase to: 6000 Roosevelt Road, Suite 900, Chicago, IL 60638. In the notice, you must include your name, address, phone number, device and device serial number, and tell Motorola that you are rejecting this Arbitration provision that includes your name, address, phone number, device and device serial number. To opt out, send a written rejection notice within 30 days of purchase.
