e-mail & messages

set up e-mail

E-mail service depends on your e-mail and phone network service providers. If you have problems setting up e-mail or synchronizing, please visit www.motorola.com/support/Q9 or call the Motorola Customer Support Center at 1-800-657-7576 (United States and Canada) or 1-888-390-6456 (TTY/TDD United States for hearing impaired).

set up Exchange server e-mail

Note: To get the information requested in these steps, contact your company’s system administrator.

1. Press Start > ActiveSync, then press Menu > Add Server Source.
2. Enter your e-mail address and check Attempt to detect Exchange Server settings automatically, then press Next.
3. Enter your User Name, Password, and the server’s Domain, then press Next.

If your device finds your server settings, it tells you. You just have to press Next.
e-mail & messages

If your device doesn’t find your server settings, or if you skip the automatic detection, you can enter the settings provided by your company’s system administrator: Enter the Exchange Server Address (if necessary, check This server requires an encrypted (SSL) connection), then press Next.

4 Choose if you want to synchronize Contacts, Calendar, Email, and Tasks, then press Finish.

5 Press Sync to synchronize with the Exchange server.

set up MSN or Hotmail e-mail

1 Press Start > Windows Live > Sign in to Windows Live.

Note: If your network service provider does not offer Windows Live, use the standard e-mail set up procedure.

2 Enter your e-mail address and password, then press Next.

3 Choose the options you want, then press Next.

4 When synchronization is complete, press Done.

e-mail & messages

set up standard e-mail

1 Press Start > Messaging > Setup E-mail.

2 Enter your e-mail user name and password, then press Next. Your device tries to retrieve your account settings from your e-mail provider.

If your device finds your account settings, it tells you. You just have to press Next.

If your device doesn’t find your account settings, it gives you a chance to enter them. To get this information, contact your e-mail provider.

3 Enter your name (the messages you send will show up as “From” this name), then press Next.

4 Choose how often you want your device to check for new e-mail, then press Finish.
