Phone Setup
You need to set up your AT&T Avail™ 2 before you can explore all its great features:

• Remove the back cover using the notch at the bottom of the phone.

Touch Screen and Navigation
Your phone features a capacitive touch screen, so you can gently tap, quickly swipe, or pinch with two fingers to navigate:

Navigating Your Phone
• Swipe your finger to slightly touch the screen.
• Use quick flicks of your finger on the touch screen to wake up, lock, or unlock the phone.
• Spread two fingers apart or pinch them together to zoom in or out on a web page or a gallery image.
• Use your thumb or index finger to tap on the Status bar to open the notifications panel on the top of the screen.
• Tap the watchtower icon to access your voicemail messages. You can also dial *611 to view your voicemail messages, email, and calendar. See your device’s guide to view more details.
• Pinch your fingers together to close the panel.
• To return to the previous screen, press “Back” on the side of the phone, and then tap “Done” on the home screen.
• Tap the access menu option on the screen.
• Tap “Go” to access applications on your phone.

GoPhone Account
Get the hassle out of refilling your account by enrolling in Autopay.

Add Money by Purchasing a GoPhone Refill Card
Add money to your GoPhone account by purchasing a GoPhone Refill Card, which is available at authorized retail locations nationwide. With most refill cards, you can add the value directly from your phone by doing the following:

1. Press *888*# key from your phone and say “Add money.”
2. Go to www.att.com/mygophone and select the Electronic payment link.

Add Money With a Credit Card, Debit Card, or Checking Account
Call 1-611 from your phone and then press “Done.”

Contacts
Keep the contact information of your favorite people in the address book. Importing and editing contacts is easy.

Find More Information

Organizing Home Screens
• Press and hold an app to drag it to a new location.
• To delete an app, drag it to the trash can.

Touch Voice and Voicemail
Call friends and family and check voicemail in just a few simple steps:

Make a Call
• From the home screen, tap “Call.”
• Enter a phone number or the name of a contact.
• Tap the contact and then tap “Dial” to place the call.

Check Voicemail
• From the home screen, tap “Voicemail.”
• Press and hold the “Key.
• Follow voice prompts to listen to messages.

Follow voice prompts to listen to messages.

Contacts
Visit att.com/mygophone.

From the main menu, say “More options,” and then say “Setup directory.”

To rename a folder, tap it and then tap the name to bring up the keyboard.

Go to www.att.com/mygophone and select “Add options.”

Add Contacts to My AT&T Account
You’ll need to set up your AT&T Avail™ 2 before you can explore all its great features:

• Remove the back cover using the notch at the bottom of the phone.

• Insert the SIM card with the cut corner first and the gold-colored contacts facing down.

• Insert the microSD™ card separately with the gold-colored contacts facing down.

• Insert the battery, making sure the connectors align. Gently push down on the battery until it clicks into place.

• Replace the back cover.

A&T Avail™ 2
To install, tap the app and follow instructions. Once installed, you will see a notification in the notifications panel. Open the app from this notification or by locating the app in the App tray.

To begin a new text message or email, tap Create and Send an Email. Tap the address bar, enter a web address, and tap Send. If Wi-Fi is off, tap the name of a device to pair and connect with it.

Data rates may apply. Mobile TV and AT&T Navigator require a separate subscription. Mobile TV may view multiple channels simultaneously on an available device. Programming subject to blackouts, regional restrictions, and change at any time. Mobile TV is automatically enabled in select content, requires an AT&T connection on a compatible device for viewing limited time periods.

Note: To set up corporate email, contact your IT administrator.
