Cricket services

These services use Cricket even better and easier.

My Cricket: Access billing, make a quick payment, view bills, and access support in the palm of your hand.

Visual Voicemail: Quickly view, access, and disable your voicemail messages. Easily see important numbers and respond by calling back or texting.

Dreaser from Cricket: Listen on-the-go with ad-free streaming music, download your favorites to your phone, and get customized playlists based on your preferences.

Camera and video

The Fantasee 3 lets you choose from a variety of modes (Camera, panorama, multi-exposure, time-lapse, etc.) to capture any type of photograph.

Take a video
1. From the home screen, tap Camera.
2. Zoom in and out by pinching/spreading your fingers on the screen or tapping the Volume key.
3. Tap the Shutter button to take a photo.
4. Tap Settings to adjust your camera settings.

Share a picture or video
1. From the home screen, tap Apps > Gallery.
2. Tap a photo or video.
3. Tap Share ➪ and select an option for sharing.

Apps on Google Play™

The Fantasee 3 is preloaded with great apps to take your experience to the next level. To find additional apps, check out Google Play.

Access Google Play
1. From the home screen, tap Play Store
2. Enter your Google account or create one following the steps on the screen.

Navigate Google Play
From your home screen, you have multiple ways to search for apps, games, and music.

1. Tap a category to browse apps, games, movies, and music organized by popularity or category.
2. Tap the Google Play Search bar to search the Play Store for a specific game or app.
3. Install the app and follow the instructions. Once installed, you will see a notification in the Notifications panel. Open the app from this notification or by locating it in Apps.

Contacts

Send a text message
1. From the home screen, tap Messaging.™
2. Enter a name and tap Send.™
3. Enter a number and tap Send.

Personalize

Set wallpaper
1. From the home screen, tap Wallpaper
2. Tap the lock screen or home screen preview and then tap the wallpaper to set it. You can also tap GALLERY or LIVE WALLPAPER for more options.

Add to home screen
1. Apps ➪ press and hold the desired app, and drag it to the home screen.
2. Press and hold a blank part of the theme or tap Widgets. Press and hold the desired widget and drag it to the home screen.
3. Press and hold a blank part of the theme or tap Themes to change the theme of the Home screen.

Organize home screens
1. Press and hold an icon to drag it to your new location.
2. Drag icons on an existing folder to delete it.
3. To return to the previous screen, tap the Back key.
4. To return to the current screen, tap the Home key.

Calls and voicemail

Make a call
1. From the home screen, tap Phone.
2. Touch dial pad to enter the number of the caller, or tap Dialer ➪ to open a dial pad and enter a name or a phone number.
3. Tap the matching contact or Call ➪ to place the call.

Check voicemail
1. From the home screen, tap Voicemail ➪ Voicemail.
2. Tap the other call to switch between active calls.
3. If prompted, enter your voicemail password.

Use call waiting
Call waiting helps you answer or hold a call while you are on an existing call.

1. While on a call, you will hear a tone before your next calling comes in.
2. Tap Hold to place the call and answer the other call.
3. If prompted, enter your voicemail password.
