Connection and Setup

1. Connect your PS3™ system to a TV.
2. Turn on the TV and then select the appropriate input.
3. Press the power button to turn on the PS3™ system.
4. If video is not displayed, turn off the PS3™ system, and then turn it on again by pressing the power button at least five seconds (until the system beeps a second time).
5. Press the PS button on the wireless controller.
6. Follow the on-screen instructions to perform the initial setup.

Playing disc content

1. Insert the disc with the label side facing up.
2. Open the disc cover and insert the disc.
3. Slide the disc cover closed.

Using PlayStation®Network

PlayStation®Network gives you instant access to a variety of services, including online gaming, downloadable games, movies and content from PlayStation®Store and chat facilities under (Friends). To use PlayStation®Network, you must have a Sony Entertainment Network account. To create an account, select (Sign Up) under PlayStation®Network and follow the on-screen instructions.

Supporting documentation

Safety and Support
This document contains information about how to safely use the PS3™ system. Be sure to read it before using the PS3™ system. This document includes parental control information.

This guide contains detailed information about using the PS3™ system. You can also refer to (Network) (Online Instruction Manuals).
