to the outlet

Playing disc content

Open the disc cover and insert the disc.
To open the disc cover, you can either press the [open] button or manually slide the disc cover to the left.
Push the disc into place until you hear a click.

Slide the disc cover closed.
When you close the disc cover, the disc will automatically start playing. If the disc does not automatically start, select the disc from the XMB menu, and then press the [button].

Connect using a wired connection

Connect to the network

Connect using a wired connection

1. Connect your PS3™ system to a TV.
   For high-definition output, connect the TV and the PS3™ system using an HDMI™ cable (sold separately).
2. Turn on the TV and then select the appropriate input.
3. Press the power button to turn on the PS3™ system.
   If video is not displayed, turn off the PS3™ system, and then turn it on again by pressing the power button for at least five seconds (until the system beeps a second time).
4. Press the [button] on the wireless controller.
5. Follow the on-screen instructions to perform the initial setup.

Using PlayStation®Network

PlayStation®Network gives you instant access to a variety of services, including online gaming, downloadable games, movies and content from (PlayStation®Store) and chat facilities under (Friends). To use PlayStation®Network, you must have a Sony PlayStation®Network and PlayStation®Store not available in all countries and languages, see eu.playstation.com/legal for details. Broadband internet connection required. Users are responsible for broadband internet connection fees. Users must be 7 years or older and users under 18 require parental consent. Charges apply for some content and/or services. Registration also possible via web browser at eu.playstation.com.
