Enhancing Audio Using X-Fi:
1. Go to the Audio ➔ X-Fi Enhancer settings.
2. Choose the desired mode.

Navigating a List Quickly:
1. To navigate through a list, press the up/down or left/right button on the remote.
2. Use the Jog dial to select the desired track.

More Information:
- Visit the website for the latest firmware updates and user manuals.
- Contact customer support for any issues or questions.

Quick Start Guide:
1. Connect the device to your computer.
2. Install the included software.
3. Follow the on-screen instructions to configure the device.

Browsing and Playing Files:
1. Connect the device to your computer.
2. Open the ZEN Manager software.
3. Select the files you want to play and click Play.

Exciting a Memory Card Correctly:
1. Disconnect the device from the computer.
2. Remove the memory card from the device.
3. Store the memory card in a safe place.

- Always disconnect the device before removing the memory card.
- Avoid exposing the memory card to direct sunlight or heat sources.

Read the user manual carefully before use.
