Before Getting Started

Installing the SIM Card, microSD Card

1. Remove the jack cover.
2. Insert your SIM card into the SIM slot.
3. Insert your memory card into the memory card slot.
4. Press the cover gently back into place.

NOTE
- Removing the SIM card when switch on leads to a reboot.
- The new battery is not fully charged. For the first time usage, you should charge the battery.

Switching Your Tablet to Sleep Mode

1. Press the Power Key to activate your screen display.
2. To quickly turn the screen off and lock the keys, press the Power Key.

Powering On & Off

Make sure the SIM card is in your device and the battery is charged.

1. Connect the adapter to the charger jack. Ensure that the adapter is inserted with the correct orientation. Do not force the connector into the charger jack.
2. Connect the charger to a standard AC wall outlet.
3. Disconnect the charger when the battery is fully charged.

Charging the Battery

• Do not remove or install the SIM card while the power cable is plugged.

NOTE
- The Bluetooth ® trademark and logos are owned by the Bluetooth SIG, Inc. and any use of such trademarks by ZTE Corporation is under license. Other trademarks and trade names are the property of their respective owners.

Overview

GETTING TO KNOW YOUR TABLET

The home screen is the starting point for your device's applications, functions, and settings. It is divided into the following sections:
• Back Key: Touch to go to the previous screen.
• Recent apps: Touch to view the recent apps.
• Home Key: Touch to return to the Home Screen from any application or screen.

Extended Home Screens

Your home screen extends beyond the initial screen, providing more space to add icons, widgets, and more. Simply swipe left or right on the screen to see the extended home screens.

Extended Home Screen

Main screen

NOTE
- If you have set an unlock pattern, PIN or password for your device, you'll need to draw the pattern or enter the PIN/password to unlock your screen.

In Sleep Mode, you will still be able to receive messages and calls.

NOTE
- In Sleep Mode suspends your device to a low-power-consumption state while the display is off to save battery power. Your device also goes into Sleep Mode automatically when you leave it idle after a certain period of time.

Waking Up Your Tablet from Sleep Mode

• Back Key: Touch to go to the previous screen.
• Recent apps: Touch to view the recent apps.
• Home Key: Touch to return to the Home Screen from any application or screen.

NOTE
- If you leave your device for 15 minutes with the screen left or right to display additional screens.
