Inserting your SIM card and microSD™ card
1. With the tablet off, open the cover of the card slots.
2. Slide the SIM card into the slot, cut corner first, with the metal contacts facing down. When properly seated, the SIM card will click into place.
3. Insert the microSD card (not included) carefully with the metal contacts facing down.
4. Replace the cover of the card slots.

Powering on/off
1. Press and hold the Power/lock key to turn on your tablet.
2. To turn it off, press and hold the Power/lock key to open the options menu.
3. Tap Power off > OK.

Touch screen
Navigating your tablet
• Use your fingertips to lightly touch the screen.
• Use quick flicks of your finger on the touch screen to swipe up, down, left, and right.
• To return to the previous screen, tap left.
• Tap right at any time to return to the main home screen.
• Tap x to view your recent apps.
• Tap to access applications on your tablet.

Notifications panel
The Notifications panel provides quick access to alerts including new messages, emails and software updates.
• Pull down on the top black bar on the display to reveal the Notifications panel.
• Swipe right to clear individual notifications or tap x to clear all.

Apps on Google Play™
Access Google Play
1. From the home screen, tap x to open the App tray.
2. Open Play Store, tap on Installed icon.
3. To install, tap the app and follow instructions.

Navigate Google Play
From Play Store, you will have multiple ways to search for apps, games and more.
1. Tap a category to browse popular apps, games, movies and music organized by popularity or category.
2. Tap search the Play Store for a specific game or app.
3. To install, tap the app and follow instructions.

Camera and video
Take a picture
1. From the home screen, tap x.
2. To take a panorama picture, tap x.
3. Tap x and slowly pan the camera until the blue progress bar at the bottom of the screen reaches the green arrow. You can also tap x to end the shot.

Send a picture
1. From the home screen, tap x then tap x.
2. Tap an album and then tap and hold a picture.
3. Tap x and select a method from the list.

Personize
Set wallpaper
To change your home or lock screen wallpaper, tap and hold a blank part of the home screen and follow on-screen instructions.

Add apps or widgets
1. From the home screen, tap x.
2. Tap and hold an app or widget to add it to a home screen.
3. Drag the item to position it on a home screen. To delete an app, drag it to x.

Create a folder
1. On a home screen, drag one app onto another to create a folder.
2. To rename the folder, tap it and then tap the folder name.
3. Enter a name and tap Done.
