Welcome to the Telecom V9 Quick Start Guide

To get started please follow these simple steps...

1. Insert your SIM card
   • Remove the battery cover:
   • Insert your SIM card into the SIM slot. There is a diagram showing the correct orientation of the card printed above the SIM slot.
   • NOTE: Do not insert a micro SIM card into the SIM slot.

2. Insert your battery
   • Insert the battery with the contacts located against the gold springs.
   • Push the battery down into place.
   • Replace the back cover. Fitting the top edge first.

3. Power On your device
   • Make sure your SIM card and battery are inserted.
   • Press the Power Key to power on your tablet.
   • Drag the unlock bar right to unlock the screen.
   • To power off your tablet, press and hold the Power Key, select Power off > OK.

Device Overview

1. Insert your SIM card
2. Insert your battery
3. Power On your device

4. Device Overview

To power off your tablet press and hold the Power Key.
Keys

Power
Press & hold to power on your tablet. Press to switch to sleep mode. Press to wake up your tablet. Hold down for Profile options: Power off, Silent, Vibrate, or Airplane mode.

Home
Tap to return to the Home Screen from any screen. Hold to see the recently used applications.

Menu
Tap to get menu options for the current screen. Hold to open the quick search keypad.

Back
Tap to go to the previous screen.

Volume
Use to control the volume Up or Down.

Charge your tablet
Charge your tablet by connecting the USB plug to the appropriate slot. Normal charge time from flat is 3-4 hours. Do NOT use excessive force which may damage the USB port. The tablet can also be charged by connecting to a computer using the USB lead supplied. When charging is completed, the battery full indicator is shown on the status bar and the status LED is Green. Disconnect the charger when fully charged.

Quick Function Reference

Add icons to the Home Screen
Tap & hold on the Home Screen for the Add to Home Screen menu. From Apps, tap & hold the desired App then position on the Home Screen.

Remove icons
Tap & hold icon, drag to the Trash bin to delete.
